

BILD CENTRAL ALBERTA AWARDS

FOR IMMEDIATE RELEASE - APRIL 9, 2026

Finalists for the 2026 BILD Central Alberta Awards

Red Deer, Alberta - BILD Central Alberta (BILDCA) is proud to unveil the finalists for the 2026 BILD Central Alberta Awards, the region's most prestigious recognition of excellence in residential construction.

More than 30 independent judges from across Canada contributed their expertise to this year's evaluation process, ensuring a fair, transparent, and highly credible selection of finalists. The winners will be revealed at the highly anticipated awards gala on Saturday, May 9, 2026, at the Red Deer Resort and Casino.

Each year, the awards bring together Central Alberta's building and development community to celebrate the people, projects, and companies that are shaping the region. From home builders and renovators to trades, designers, and suppliers, the event recognizes those who continue to push boundaries and deliver exceptional quality across the industry. This year, BILDCA received more than 112 submissions across 28 categories, highlighting the strength, diversity, and continued growth of residential construction in Central Alberta.

"This year marks an exciting step forward for our awards program," said Chris Windrim, Executive Director of BILD Central Alberta. "We've introduced a renewed brand and elevated experience that better reflects the excellence within our industry. These awards are about more than recognition, they are about showcasing the people and projects that are driving our communities forward. Congratulations to all finalists, and thank you to our members, volunteers, and sponsors who make this possible."
