Professionalism at "Your Service"

Haliburton County
Home Builders Association

When I think of who would best represent Renovator of the Year, Andria Cowan-Molyneaux comes to the forefront. I have had the privilege of working with Andria and her team since 2016 and have personally witnessed her company grow into the organization it is today. As she is my most consistent client, I can attest to her exceptional qualities and remarkable contributions to the community, especially in 2024.

At Churko Electric, we pride ourselves in delivering the highest quality, safest installation possible, all the time. Our reputation, reliability, and expertise in the industry is at the core of what we do. It is with great pleasure that I acknowledge Andria's commitment to upholding the highest standards of quality workmanship, service, and expertise with every project her company participates in.

Andria is not only a skilled professional but also a trailblazer in a field traditionally dominated by men. Her dedication, leadership, and knowledge is an inspiration for women in trades.

Andria's is always a pleasure to work with and her remarkable talent makes her an invaluable asset to the industry and our community. Her success is not only a testament to her knowledge but to her character and to the positive example she is setting for women embarking on a career in trades.

I wholeheartedly recommend Andria for the Renovator of the Year based on her outstanding character and expertise. It is without hesitation that I express my support of her nomination.

Regards,

Steve Churko
